

2022 Pennsylvania Endless Mountains Fiber Festival

Animal Exhibitor Form

September 10 - 11 2022

ANIMAL EXHIBITOR REQUIREMENTS:

- Certificate of Veterinary Inspection (CVI) is required for Alpacas, Llamas, Sheep and Goats.
- The Pennsylvania Endless Mountains Fiber Festival committee reserves the right to reject any animal showing signs of health problems.
- Animal Limits:
 - 2 adult llama or alpacas or 3 yearlings or younger in a 10 x 10 space.
 - Sheep/Goat Breed display pens are 5' x 5' breeders should use their discretion how many sheep will fit comfortably depending on size of breed.
 - 1 adult rabbit per cage. No more than 2 Jr. age (under 6 months) rabbits may be housed together.
- Limits on the number of animals in pens and cages will be enforced.
- Llama & alpaca owners need to bring their own pens.
- Sheep pens for the Breed Display are provided.
- Animals must stay in their designated areas during the festival unless part of a formal demonstration.
- All animals must remain on the fairgrounds between Saturday, September 10th at 9am until 4 pm on Sunday, Sept. 11th 2022.
- All Livestock pens must be completely cleaned and re-assembled before leaving the fairgrounds at the close of the festival – a manure spreader is available behind the cattle barn for waste.

RABBITS:

- Any rabbit showing signs of illness (sneezing, discharge from eyes or nose), any in un-groomed condition or otherwise unhealthy must be immediately removed from the vendor areas.
- Rabbits may not be kept in small travel carriers for the duration of the festival.
- Minimum cage/carrier size of 18" x 24" x 14". All cages/carriers must have **leak proof trays/pans** and be kept clean.
- Under no circumstances are rabbits under 8 weeks permitted for sale or display at the festival, as per Pennsylvania state law.

SHEEP & GOATS:

- Traveling from **INSIDE** Pennsylvania must have:
 1. Certificate of Veterinary Inspection (CVI)
 - a. All sheep & goats must be accompanied by a Certificate of Veterinary Inspection signed and dated by an accredited veterinarian with an inspection date within 60 days of the festival.
 2. Sheep & Goat Identification
 - a. All sheep for exhibition must be identified by one of the following: an official USDA scrapie ear tag; a USDA-approved scrapie tattoo in addition to individual ID; a USDA-approved custom scrapie ear tag; or an ISO-compliant 15-digit eartag (including RFID). The animal ID must be included on the Certificate of Veterinary Inspection.
- Traveling from **OUTSIDE** Pennsylvania must have:
 1. A Veterinary Health Certificate (CVI) for ALL sheep/goats, regardless of age, completed and signed by a licensed Veterinarian from the state of origin within 60 days of the festival;
 2. **AND** Comply with the USDA Scrapie Requirements and other interstate shipping requirements. Check with your veterinarian;

- 3. AND each sheep/goat must have a SCRAPIE tag for identification.
- No brucellosis-test or tuberculin-test is necessary.

ALPACAS & LLAMAS:

- Traveling from INSIDE Pennsylvania must have:
 1. A Certificate of Veterinary Inspection (CVI) for ALL llamas/alpacas, regardless of age, completed and signed by a licensed Veterinarian from Pennsylvania within 60 days of the festival.
- Traveling from OUTSIDE Pennsylvania must have:
 1. A Certificate of Veterinary Inspection (CVI) for ALL llamas/alpacas, regardless of age, completed and signed by a licensed Veterinarian from the state of origin within 30 days of the festival;
 2. AND llamas/alpacas, 12 months of age or older, shall be brucellosis-test negative no more than sixty (60) days prior to the event;
 3. AND llamas/alpacas, 12 months of age or older, shall be tuberculin-test negative no more than ninety (90) days prior to the event;
 4. AND The method of identification (ear tag, microchip, etc.) must be listed on your Veterinary Health Certificate. Llamas/Alpacas entering PA MUST be individually identified by:
 - a. A unique ear tag or microchip issued by the state or country of origin OR
 - b. A permanent tag or unique device
