Main Arena Barn	65 - 80	10 x10	$95.00
Sheep Barn	S1 - S14	10 x10	$95.00

Contact Tina for specific information about barn space availability.

*Cattle Barn consists of a dirt floor. We rake it as evenly as possible prior to set up, but the ground can be uneven or slightly sloped. Some vendors use tarps, mats or carpet on the ground to protect products in the event it is dropped on the ground. EZ up tents may be used in most areas of the barn, please note on the application if you will be using one so you are assigned a space that permits use.

*Main Arena Barn is a cement floor (there is a mulched area to go across if you can't drive in). It is suggested to use weighted EZ- Up tents to protect your product from the elements in case of bad weather.

Please note:we reserve the right to assign or re-assign spaces as needed when we have final details of building space.
