2026 Sponsorship & Advertising Application

Sponsorship Applications Are Due by August 1, 2026.

Sponsorships will be accepted after this date and listed on the PAEMFF website sponsor page. Any ads received after this date will not be in the printed festival booklet.

The Pennsylvania Endless Mountains Fiber Festival has a sponsorship program to help with the cost of putting on the festival each year, including advertising and quality demonstrations, contests, and other events. This program allows your business to advertise in the festival booklet and be listed as a sponsor on the PAEMFF website. You can also choose to have a banner displayed in a prominent location during the festival weekend or support a specific event, such as the Fleece Show & Sale, Breed Display, Contests, Classes or one of the Demonstrations (e.g., Sheep Herding, Sheep Shearing).

The Pennsylvania Endless Mountains Fiber Festival Booklet is 8 ½ inches x 5 ½ inches **printed in black and white**. Advertisements can be printed on full page, half page, or quarter page.

Digital Files are preferred and encouraged as they will print much better.
Acceptable digital files include: black and white at 300 dpi, PDF or JPG (preferred). Photographs are accepted without copyright restrictions. Digital files should be sent to endlessmtnvendors@gmail.com**.**
If you need assistance creating a digital ad please let us know and we will help.

We thank you for your generosity and support of the Pennsylvania Endless Mountains Fiber Festival!
